RE: _____ v. _____

Your case# _____

Dear Sir or Madam:

The enclosed interstate referral is being returned to you for the following reasons:

☐ We do not have a case or an active case on this (these) individual(s) to process your request for redirect. ☐ Please resubmit the transmittal and request that we enforce our order.

☐ Pursuant to Federal and Iowa laws, if the unmodified child support continues to require the payment of current support by the obligor, in addition to any arrears, then current support must be collected and distributed before application of any excess collected to the arrears. Until such time if any, that Iowa receives a valid court order limiting the support obligation to collection of arrears only, current will have to be collected. Your request for "Arrears only" cannot be processed.

☐ Federal regulations require an Child Support Enforcement Transmittal #1 form before a request can be processed. Please resubmit packet with completed transmittal & acknowledgement. ☐ Since we do not have an interstate case established with your state, you must submit your request on #1 transmittal and NOT on a #2 which is for subsequent actions. You may fax your request to the fax # below to speed up the process of your request.

☐ Iowa cannot process a child support request on a percentage basis. A specific amount must be requested.

☐ Iowa does not handle NON IV-D cases.

☐ Other:

If we have misunderstood your request, please clarify and return to us for processing. Thank you for your attention in this matter.

Sincerely,

Interstate Central Registry
